

THE COVER FOUNDATION is the Portland Police Association's 501(c)3 charity which exists to assist Portland's active law enforcement personnel in times of personal need. Formerly known as the Officer Assistance Fund, The Cover Foundation was formed in 2007. It now serves many different functions for our officers and the community. The Cover Foundation helps officers and their families in time of financial or medical need, as well as giving back to the programs the officers themselves believe in. This foundation helps family members to travel when necessary for funerals or surgeries, as well as helping in so many ways when an officer is injured or killed in the line of duty.
