Help raise \$5,000 for Sunshine Division

The Sunshine Division was founded in 1923 by a group of police officers and local businessmen who wanted to help their community during the economic depression. Today, over 25,000 individuals benefit from our food donation programs and services each year.

\$5,000 would go a long way toward helping local families during these economic times. Please help us by bringing canned fruit to the game and have a great time with friends and family at the same time.
